JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

to prevent it from biting persons and is accompanied by the owner or some person above the age of 14 years.

2. Any dog not so muzzled or leashed shall be taken up by any policeman or other duly authorized person and forthwith delivered to the poundkeeper. Every dog so taken and delivered and impounded shall be kept and kindly treated for a period of 48 hours from the time of impounding, and may be redeemed upon paying the sum of \$2 to the poundkeeper, \$1 thereof to be paid by the poundkeeper to the city treasurer. If any dog shall not be redeemed within said period of 48 hours, it shall be killed in the manner now provided by ordinance.

3. Whenever any licensed dog wearing a tag shall be impounded, the poundkeeper shall immediately notify the city clerk of the license number of such dog, and it shall be the duty of the city clerk to notify the owner forthwith that such dog has been taken up and impounded.

Garbage—Care of—Receptacles. (Ord. Aug. 27, 1914.)

1. That every proprietor or person conducting any hotel, restaurant, boarding house, or any similar place within the city of Trenton, which shall have accommodations for the feeding of 10 or more people, shall provide, for the use of said hotel, restaurant, or boarding house, metal receptacles for the reception of garbage, which receptacles shall be of the capacity of at least 3 gallons and not more than 10 gallons, and which shall be provided with tight covers.

2. That all garbage accumulated in the conducting of any of the foregoing places mentioned in the section preceding shall be kept and stored in receptacles of the character described herein, and at all times kept tightly covered: *Providing, however*, That nothing herein contained shall be construed to alter or repeal the provisions of an ordinance entitled "An ordinance concerning garbage and other waste," passed March 28, 1913.¹

3. The interior of such metal receptacles shall be kept at all times free from rust, and the entire interior and exterior surface thereof shall likewise be kept clean and sanitary.

4. Any person, partnership, or corporation violating any of the provisions of this ordinance shall be subject to a penalty not exceeding \$100.

VIRGINIA, MINN.

Sewers—Connections with. (Ord. 152, Sept. 8, 1914.)

SECTION 1. It shall be the duty of the board of health of the city of Virginia, when complaint is made that the surface of any premises within the city has become or is about to become the receptacle of filth or of any matter, or the surface soil has become saturated with any matter of any kind deleterious to the public health or to tend to spread among the people of the city or contaminate the vicinity thereof by infectious or contagious diseases, it shall be the duty of the board of health to examine such premises and may declare the same to be a public nuisance and to order such nuisance to be abated.

SEC. 2. That in case the board of health shall declare any premises within the city to be a nuisance by reason of any of the facts stated in section 1, and where it appears to the board of health that the only practicable way of abating such nuisance is by causing the houses or residences on such premises to be connected with sewers and to have in the houses and residences on such premises proper bowls and sinks and conveniences for the utilization of the sewers, the board of health may order that such sewer connections be made by the owner or occupant of such premises within a time specified by said board of not less than 10 days from notice to the occupant or owner of such premises, in case there be a sewer in any street or alley on which such premises abut.

¹Public Health Reports, July 31, 1914, p. 2058.

SEC. 3. In all cases where the board of health declare any premises within the city of Virginia to be a public nuisance and where such premises are abutting upon any public sewer and the board of health have ordered such premises to be connected with the sewer and conveniences put in the houses and residences on such premises to be installed and connected with the sewer, the city may in case the owner or occupant of such premises fail within the time specified in the notice served on them by the board of health make the necessary sewer connection and enter any house or premises so found to be a public nuisance and make proper connections with the public sewer and install in such house or residence such plain, suitable fixtures as may be necessary and convenient for the utilization of such sewer connections by the persons or occupants of such houses or residences and the cost of making such sewer connections and putting in such fixtures shall be taxed up to the lot or property, so connected with the sewer, the necessary cost of making such connection and of installing the necessary fixtures in the houses or residences so connected shall be assessed to be paid in such manner, in one or more years with such rate of interest not exceeding 6 per cent, as the city council may by ordinance or resolution determine.

SEC. 4. Nothing herein shall be so construed as to prevent the arrest and conviction of any person accused of causing or allowing or maintaining a nuisance on premises occupied or controlled by him from prosecution and punishment under any other ordinance of the city of Virginia or under the laws of the State of Minnesota.

SEC. 5. When the board of health shall have visited or examined any premises within the city herein referred to and shall have determined that the only practical way of preventing said premises, if used or occupied, from becoming or remaining a public nuisance or a menace to the health of the city, such board of health shall cause a written notice to be served on the owner or occupant of such premises, requiring that the same shall within 10 days from the date of the service of such notice be connected with a public sewer of the city, but no such connection shall be required to be made unless the premises referred to in such notice shall abut on a public sanitary sewer, and in construing the word "premises" the whole length of the lot from the street to the alley shall be considered as one, and if any part of such lot abut on a sewer, connections with such sewer may be required to be made.

SEC. 6. Any person, after the occupant or owner of the premises occupied or controlled by him has been declared a nuisance and that it has been declared necessary by the board of health to have such premises connected with a sewer, who shall interfere with or attempt to hinder, prevent, or delay any officer or employee of the city who may be delegated, appointed, or employed by the city or its duly authorized officer to make such sewer connection on such premises and to install the necessary sewer fixtures in any house, building, or residence on said premises shall be arrested, and, on conviction for such offense, shall be subject to a fine not exceeding \$100 or imprisonment in the county jail until such fine shall have been paid, not exceeding 90 days.

WAUSAU, WIS.

Meat—Inspection and Sale. (Ord. June 4, 1914.)

SECTION 1. No person shall slaughter any cattle, sheep, swine, or calves in the city of Wausau except in the slaughterhouses licensed by the board of health or under United States Government inspection.

SEC. 2. No meat shall be sold for human food or offered for sale or held with the intention of selling the same in the city of Wausau unless the animal furnishing the meat was examined by the inspector provided by the city authorities, within 24 hours previous to the time of slaughter, except as otherwise provided in section 9 of this ordinance.

SEC. 3. All owners or persons having animals in charge for slaughter shall notify the inspector early enough so as to give him an opportunity to make the examination of the animal by daylight.
